=====

A Darkness at Sethanon is the stunning climax to Raymond E. Feist's brilliant epic fantasy trilogy, the Riftwar Saga.

Here be dragons and sorcery, swordplay, quests, pursuits, intrigues, stratagems, journeys to the darkest realms of the dead and titanic battles between the forces of good and darkest evil.

Here is the final dramatic confrontation between Arutha and Murmandamus - and the perilous quest of Pug the magician and Tomas the warrior for Macros the Black. A Darkness at Sethanon is heroic fantasy of the highest excitement and on the grandest scale, a magnificent conclusion to one of the great fantasy sagas of our time.
