The classic American novel, re-published for the 100th anniversary of James Agee's birth

Published in 1957, two years after its author's death at the age of forty-five, *A Death in the Family* remains a near-perfect work of art, an autobiographical novel that contains one of the most evocative depictions of loss and grief ever written. As Jay Follet hurries back to his home in Knoxville, Tennessee, he is killed in a car accident--a tragedy that destroys not only a life but also the domestic happiness and contentment of a young family. A novel of great courage, lyric force, and powerful emotion, *A Death in the Family* is a masterpiece of American literature.
