=====

Fitz is about to discover the truth about the Fool's prophecy. Having been resurrected from his fatal tortures in Regal's dungeons, Fitz has once more foiled the Prince's attempts to be rid of him.

Now, restored to his own body, Fitz begins the painful, slow process of learning to be a man again. He must learn to cast off the wild ways of the wolf and return to the human world: a world beset ever more by the relentless Red Ships Raiders who are now free to plunder any coastal town they please. But more immediately, a world in which Fitz finds he is utterly alone.

Regal has stripped the kingdom of its riches and retired to the inland city of Tradeford. Of Verity, on his quest to find the legendary Elderlings, there has been no word; Molly, Kettricken and the Fool have all vanished. Unless Fitz can find Verity and help him in his quest, the Six Duchies will perish and there will be no safe place to live.
