Cold Mountain is a novel about a soldier's perilous journey back to his beloved near the Civil War's end. At once a love story & a harrowing account of one man's long walk home, *Cold Mountain* introduces a new talent in American literature.

Based on local history & family stories passed down by Frazier's great-great-grandfather, *Cold Mountain* is the tale of a wounded Confederate soldier, Inman, who walks away from the ravages of the war & back home to his prewar sweetheart, Ada. His odyssey thru the devastated landscape of the soon-to-be-defeated South interweaves with Ada's struggle to revive her father's farm, with the help of an intrepid young drifter named Ruby. As their long-separated lives begin to converge at the close of the war, Inman & Ada confront the vastly transformed world they've been delivered.

Frazier reveals insight into human relations with the land & the dangers of solitude. He also shares with the great 19th century novelists a keen observation of a society undergoing change. *Cold Mountain* recreates a world gone by that speaks to our time.
