Prosecuting attorney in the Manson trial, Vincent Bugliosi held a unique insider's position in one of the most baffling and horrifying cases of the twentieth century: the cold-blooded Tate-LaBianca murders carried out by Charles Manson and four of his followers. What motivated Manson in his seemingly mindless selection of victims, and what was his hold over the young women who obeyed his orders? Here is the gripping story of this famous and haunting crime. 50 pages of b/w photographs.
