=====

If you read nothing else by Merton, read this. Personal, direct, and lucid, it contains some of his most challenging insights into the struggle to find an honest relationship with God and one's fellow humans. The book takes a compelling yet thoughtful look at a wide variety of spiritual themes, but is - like most of Merton's writings -- devoid of theorizing. A must for anyone who is ready to seriously reassess the reality and direction of his or her life. But beware: you will not emerge untouched. Reprinted over twenty times and translated into more than twelve languages.
