Richard Sharpe and the Battle of Assaye, September 1803

India, 1803. Sergeant Richard Sharpe witnesses a murderous act of treachery by an English officer who has defected from the East India Company to join the mercenary army of the Mahratta Confederation. In the hunt for the renegade Englishman, penetrates deep into the enemy's territory where he faces temptations more subtle than he has ever dreamed of. And behind him, relentlessly stalking him, comes his worst enemy, the baleful, twitching Sergeant Obadiah Hakeswill who is determined to break Sharpe once and for all. The paths of treachery all lead to the small village of Assaye where Sir Arthur Wellesley, with a tiny British army, faces the Mahratta horde. Outnumbered and outgunned, Wellesley decides to fight, and Sharpe is plunged into the white heat of a battle that will make Wellesley's reputation. It will make Sharpe's name too, but only if he can survive the carnage and killing frenzy, for it is at Assaye that he at last realizes his ambition and has a chance to seize it. This major new novel will follow the adventures of Richard Sharpe in India, begun so excitingly in Sharpe's Tiger and culminating in the Battle of Assaye, which Wellington considered his greatest victory.

Details About Sharpe's Triumph - Bernard Cornwell PDF
