The Modern Library's fifth volume of *In Search of Lost Time* contains both *The Captive* (1923) and *The Fugitive* (1925). In *The Captive*, Proust's narrator describes living in his mother's Paris apartment with his lover, Albertine, and subsequently falling out of love with her. In *The Fugitive*, the narrator loses Albertine forever. Rich with irony, *The Captive* and *The Fugitive* inspire meditations on desire, sexual love, music, and the art of introspection.

For this authoritative English-language edition, D. J. Enright has revised the late Terence Kilmartin's acclaimed reworking of C. K. Scott Moncrieff's translation to take into account the new definitive French editions of *À la recherche du temps perdu* (the final volume of these new editions was published by the Bibliothèque de la Pléiade in 1989).
