=====  
Considered by many to be her masterpiece, Edith Wharton's epic work is a scathing yet personal examination of the exploits and follies of the modern upper class. As she unfolds the story of Undine Spragg, from New York to Europe, Wharton affords us a detailed glimpse of what might be called the interior décor of this America and its nouveau riche fringes. Through a heroine who is as vain, spoiled, and selfish as she is irresistibly fascinating, and through a most intricate and satisfying plot that follows Undine's marriages and affairs, she conveys a vision of social behavior that is both supremely informed and supremely disenchanted. - *Anita Brookner*

### **Details About The Custom of the Country - Edith Wharton PDF**
