

"One of the most exuberantly inventive works in recent European fiction."
— Morris Dickstein, *The New York Times Book Review*

Günter Grass The Flounder

It all begins in the Stone Age, when a talking fish is caught by a fisherman at the very spot where millennia later Grass's home town, Danzig, will arise. Like the fish, the fisherman is immortal, and down through the ages they move together. As Grass blends his ingredients into a powerful brew, he shows himself at the peak of his linguistic inventiveness. Translated by Ralph Manheim. A Helen and Kurt Wolff Book

Details About The Flounder - Günter Grass PDF
