=====

During his earthly ministry, Jesus performed many miracles, including healing numerous diseased and disabled bodies. But perhaps his greatest miracle was the healing of people's souls, - the forgiveness of sin. Jesus offers us that same miracle on the same terms- sincere repentance. In *The Miracle of Forgiveness*, President Spencer W Kimball gives a penetrating explanation of repentance and forgiveness and clarifies their implications for Church members. His in-depth approach shows that the need for forgiveness is universal; portrays the various facets of repentance, and emphasizes some of the more serious errors, particularly sexual ones, which afflict both modern society and Church members. Most important, he illuminates his message with the brightness of hope that even those who have gone grievously astray may find the way back to peace and security. Never before has any book brought this vital and moving subject into so sharp a focus. This classic book is a major work of substance and power. After, all who does not need the miracle of forgiveness.
