In a London of the future, the drudgery of capitalism and bureaucracy have worn the human spirit down to the point where it can barely stand. When a pint-sized clerk named Auberon Quinn is randomly selected as head of state, he decides to turn London into a medieval carnival for his own amusement. One man, Adam Wayne, takes the new order of things seriously, organizing a Notting Hill army to fight invaders from other neighborhoods. At first his project baffles everyone, but eventually his dedication proves infectious, with delightful results. First published in 1904, *The Napoleon of Notting Hill* was Chesterton's first novel. It has been called the best first novel by any author in the twentieth century. Newly designed and typeset by Waking Lion Press.
