When Quoye's two-timing wife meets her just deserts, he retreats with his two daughters to his ancestral home on the starkly beautiful Newfoundland coast, where a rich cast of local characters and family members all play a part in Quoye's struggle to reclaim his life. As Quoye confronts his private demons--and the unpredictable forces of nature and society--he begins to see the possibility of love without pain or misery. A vigorous, darkly comic, and at times magical portrait of the contemporary North American family, *The Shipping News* shows why Annie Proulx is recognized as one of the most gifted and original writers in America today.
