Joyce Carol Oates' *Wonderland Quartet* comprises four remarkable novels that explore social class in America and the inner lives of young Americans. As powerful and relevant today as it was on its initial publication, *Them* chronicles the tumultuous lives of a family living on the edge of ruin in the Detroit slums, from the 1930s to the 1967 race riots. Praised by *The Nation* for her "potent, life-gripping imagination," Oates traces the aspirations and struggles of Loretta Wendall, a dreamy young mother who is filled with regret by the age of sixteen, and the subsequent destinies of her children, Maureen and Jules, who must fight to survive in a world of violence and danger.

Winner of the National Book Award, *Them* is an enthralling novel about love, class, race, and the inhumanity of urban life. It is, raves *The New York Times*, "a superbly accomplished vision."²

Them is the third novel in the *Wonderland Quartet*. The books that complete this acclaimed series, *A Garden of Earthly Delights*, *Expensive People*, and *Wonderland*, are also available from the Modern Library.

Details About Them - Joyce Carol Oates PDF

Novel Title: Them

Author: Joyce Carol Oates
