Fifteen-year-old Laura lives apart from her family for the first time, teaching school in a claim shanty twelve miles from home. She is very homesick, but keeps at it so that she can help pay for her sister Mary's tuition at the college for the blind. During school vacations Laura has fun with her singing lessons, going on sleigh rides, and best of all, helping Almanzo Wilder drive his new buggy. Friendship soon turns to love for Laura and Almanzo in the romantic conclusion of this Little House book.
