Max was interested in helping children understand their value - not from the world's perspective, but from God's. Wemmicksville is a land created by Eli, the "God" figure of the story. He creates each Wemmick in Wemmicksville uniquely, each with its own look and personality. Each story and video is a new adventure with the citizens of Wemmicksville. Punchinello is the central character, along with his friends Lucia, Splint, and Chip. When Punchinello strays from Eli, he begins to have problems. Only when Punchinello stays close to Eli does he clearly see how to walk through his life in Wemmicksville.

In this heartwarming tale, Eli helps Punchinello understand how special he is- no matter what other Wemmicks may think. Children will learn a vital lesson- regardless of how the world sees them, God loves each of them just as they are.
